

Dear Parents and Carers

Re: Year 10 parents' meeting on 10/7/19

Further to my letter regarding the parents meeting on 10/7/19, I would like to layout the plans for year 10 into year 11. I am very aware that both parents and students are concerned about their GCSEs and I would like to reassure you that myself, my team and the teachers at this school will do all we can to ensure success for your child in all of their subjects.

The exact dates will be confirmed, but plans are as follows:

Date	Teachers	Students/ Parents
Final day of term for students 18th July 2019	Revision packs issued	Students to research and revise over the summer
September 2019	2 weeks extensive exam skills in lessons	Students to practise for homework
End of September 2019	Teachers mark and identify topics / skills students need to work on.	Students sit baseline tests in class
October 2019	Teachers feedback to parents	Parents attend parents' evening
October 2019	Careers advice given, references completed and reference grades	Students complete personal statements and start choosing colleges for post-16
October half term holiday Christmas holiday February half term holiday Easter holiday	Offer interventions as per a timetable	Students attend intervention sessions
December 2019 / March 2020	Teachers mark mock exams and give diagnostic feedback to students.	Students sit preliminary (mock) GCSEs.
January 2019/ April 2020	Teachers feedback progress of students to parents	Parents attend parents' evenings

As discussed, there will no longer be a parents' evening on Thursday 18th July.

I would like to reiterate my thanks for your support over the last two weeks. I am confident that by working together we can get the very best outcomes for all students.

Yours sincerely

Charlotte Whelan
Headteacher
